OPENING DATE: 11/08/13

CLOSING DATE: 12/06/13 04:30 PM

DESCRIPTION: Under direction, assists in traffic analyses and preparation of traffic studies for City of Long Beach facilities.

EXAMPLES OF DUTIES:

Under direction, assists in traffic analyses and preparation of traffic studies for City of Long Beach facilities, transportation projects and environmental documents (EIR/EIS); manages and assists in the review of consultant traffic studies; assists in the review/analysis of regional transportation studies/issues pertaining to outside agencies such as SCAG, Los Angeles Metro, Caltrans and USDOT; conducts or assists in the review/analysis of traffic issues; conducts or assists in the analysis of regulatory (e.g., Congestion Management Program) and legislative issues; assists engineering staff in development and conceptual design of roadway and rail facilities; collects, develops and analyzes various types of data for use in City transportation studies; evaluates and develops strategies on funding issues; may represent the City at outside agency meetings; and performs other related duties as required.

REQUIREMENTS TO FILE:

Graduation from a four-year college or university with a Bachelor's Degree (proof required)* in Transportation Engineering, Urban Planning or closely related field with an emphasis in transportation planning **AND** two or more years journey-level experience in transportation planning, transportation engineering or traffic engineering.

A Master's Degree in Transportation Engineering, Urban Planning or closely related field may be substituted for one year of the required experience (proof required)*.

Proof of a valid motor vehicle operator's license, including a current DMV driving record, is required at time of appointment and must be presented to the hiring department at the time of selection interview.

***Required documents must be uploaded to the online application or included with a paper application at time of filing.**

SELECTION PROCEDURE:

This examination will be conducted using the continuous, non-competitive procedure. All applicants meeting the requirements to file will be placed on the eligible list, with those receiving Veteran's credit first, and then in order in which applications are filed. Eligible lists may be established periodically.

If you do not receive notification by January 6, 2014, please contact the Civil Service Department at (562) 570-6202.

This information is available in an alternative format by request at (562) 570-6202.

If a special accommodation is required, please contact the Civil Service Department two (2) business days prior to the test at (562)570.6202.

TRANSPORTATION PLANNER Supplemental Questionnaire

- * 1. The purpose of this supplemental application is to derive more specific information about your qualifications for this position. Describe your qualifications where noted in the text boxes. Do not leave any question unanswered. If you have no experience related to questions 2-6, please indicate "None". Completed application packets must be returned to the Civil Service Department by December 6, 2013. Resumes will not be considered as part of the Civil Service application process and may not be substituted for the required application and supplemental application. **REQUIREMENTS TO FILE:** Indicate under which option you are applying.
 - ☐ I graduated from a four-year college or university with a Bachelor's Degree (clear copy required) in Transportation Engineering, Urban Planning or closely related field with an emphasis in transportation planning AND two or more years journey-level experience in transportation planning, transportation engineering or traffic engineering.
 - ☐ I have a Master's Degree (clear copy required) in Transportation Engineering, Urban Planning or closely related field AND one year of journey-level experience in transportation planning, transportation engineering or traffic engineering.
 - ☐ I do not have a Bachelor's or Master's Degree in the required fields in combination with the required experience.
- * 2. **EXPERIENCE:** In questions 2-6, please explain your experience and include the names of your employer, title of position(s), dates employed and hours worked. If you do not have any experience, please indicate by answering "NONE". Describe your academic training and working experience in transportation planning and goods movement pertaining to this position.
- * 3. Describe your experience and your role in the preparation of traffic analyses and CEQA/NEPA documents.

- * 4. Describe your experience with transportation funding sources, preparing grant applications and/or reviewing transportation policies.
- * 5. Describe your experience in making public presentations both formally and informally to planning/ transportation commissions or any other governmental body or organization.
- * 6. Describe your experience related to travel demand modeling and traffic simulation software. Please specify your familiarity with TransCAD, TRANPLAN, Synchro, VISSIM, and/or other similar tools.
- * 7. I certify that I have personally completed the information provided and that it is accurate and complete to the best of my knowledge. I understand that any falsification may cancel any terms, conditions, or privileges or employment. I understand that if I am offered employment I will be required to pass a medical examination.
